

City of Sutherlin

Operational Philosophy

Our Future

Our Choice

Our Purpose

Our Mission

Our Core Values and Beliefs

Our Future is:

- Unlimited
- Within our control

Our Choice is:

- To live in Sutherlin and work side-by-side with our neighbors, civic leadership and City Council to ensure that the City of Sutherlin emerges as a regionally recognized **“Sense of Place”** community and **“Center of Commerce.”**

Our Purpose is:

- To facilitate, problem-solve, administer, and manage the process of government service on behalf of the City Council and citizens of Sutherlin.

Our Mission is:

- To serve the community through the efficient and effective administration and delivery of a vast array of activities, services and policy directives intended to address the community vision and goals of the Sutherlin City Council.

Our Core Values

1. Integrity
2. Honesty
3. Pride
4. Commitment
5. Fun
6. Competence
7. Professionalism
8. Service

Our Core Values and Beliefs Statement

- As a team, we value above all, the personal integrity, honesty, pride in accomplishment, and commitment to excellence we each bring to the City of Sutherlin. We expect allegiance to our mission and purpose from one another while respecting each others' opinions, unique qualities, and contributions to the team. We believe in having fun while sustaining the highest measures of superior competence and professionalism. Above all, we are absolutely devoted in service to our community.

Where we are, is where we will remain
unless.....
