

EFFECTIVE IMMEDIATELY

URGENT NOTICE!

UPDATE #2

STAGE 1 WATER CURTAILMENT – VOLUNTARY:

Due to construction delays during the Nonpareil Water Treatment Plant upgrades and water right limitations at Cooper Creek Reservoir, per the State Water Marshal, the City of Sutherlin is implementing **Stage 1 Curtailment: Water Watch. We are requesting residents and water customers voluntarily reduce their water usage until the upgrades are complete and/or the alert is lifted.**

THIS ANNOUNCEMENT IS **NOT** AN EMERGENCY. AS PART OF THE CITY'S OPERATING PROCEDURES, WE USE A CURTAILMENT PLAN THAT INCLUDES GRADUATED STAGES OF WATER USE REDUCTIONS FORMING AN ALERT SYSTEM. DURING AN ACTUAL EMERGENCY, THE CITY WOULD IMPOSE **REQUIRED** RESTRICTIONS ON WATER USE.

For further information, please visit the City's Website:
www.cityofsutherlin.com

We appreciate your patience during this construction process and will continue to send out and post updates as the situation changes.
